

# Yunus Emre Karaoğlu 150220732

I am 3<sup>rd</sup> grade student at Istanbul Technical University. I am interested in robotics , artificial intelligence and 3D computer vision. I mostly use C++ and Python in these areas.

## Hobbies

I am interested in watching documentaries or searching information about random interests in life. I play volleyball and football. I am also interested in bouldering and scuba diving.

## Address

Istanbul Technical University, Istanbul/Turkey
